Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 03 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining dry with some clear spells for tonight.

This Evening and Tonight:
Staying dry through the evening and overnight with many seeing long clear spells throughout. Cloud amounts increase across the south and east towards dawn. Turning chilly where skies remain clear. Minimum temperature 4 deg C (39 deg F).

Friday:
Largely dry and often cloudy through Friday, with a risk of isolated showers in the far east. Best of the warm sunshine will be across western areas. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Plenty of dry weather over the weekend and early next week, with sunny spells and just a few showers. Pleasantly warm, with light winds, though quite chilly in places overnight.
